

UNITED STATES OF AMERICA	*	CRIMINAL NO. 09-328
v.	*	SECTION: “N”
ROLANDO CASTELAN

If this case were to proceed to trial, the United States would prove the following facts beyond a reasonable doubt:

Officer Haag responded to the Harbor Police Office. CASTELAN was given both a written and verbal Miranda Warning in Spanish. He confirmed that he was from Mexico but chose to invoke his right to remain silent.

The I-551 possessed by CASTELAN contained A file # A-091-590-441. A Central Index System check showed that the I-551 belongs to a resident alien named Roberto Giron-Ayala from Mexico. A review of the I-551 by a U.S. Department of Homeland Security forensic document examiner revealed that the document was counterfeit. It did not contain genuine security features and was produced using incorrect printing methods.
